

The Berenstain Bears and the Homework Hassle (First Time Books(R))

In this timely First Time Book, the Berenstains once again prove they have their paws on the pulse of America! Mama and Papa Bear are stunned when they receive a letter from Brother Bears teacher. Even though Brother Bear sits down diligently every night with an open notebook, he has not been completing his homework assignments. After taking a closer look, Mama and Papa realize that theres a whole lot of competition going on for Brothers attention. Hes watching TV, listening to his boom box, talking on the cell phone, and playing a video game. Join in the fun and learning as the subject of multimedia distraction is tackled with wit, wisdom, and aplomb.
