

More Illustrated History of the Railways of Hull

Second volume in this informative series about the railways in and around Hull in the UK. Includes sections on the passenger stations, freight train departures in 1927, 1952, 1979 and 1983, railway and tramway level crossings, the nine engine sheds and their allocations, motive power based in Hull between 1923 and 1987, 40 years of 4-6-2 locomotives visiting Hull, the rebuilding of the Sculcoates/Wilmington bridge and much else. Illustrated throughout with black and white photos and maps. 112 pages.
