

## Kisses of Sunshine for Sisters

Author and general editor Carol Kent, along with four additional coauthors, captures readers hearts with tales about the joys, challenges, and frustrations that women face in all their various roles. Each book inspires women to remember that God loves them and that their purpose is simply to let his love so fill them that they become warmth, light, and love to everyone around them. Each devotional in these books includes a lighthearted or inspirational story, a thought-provoking quote, and a relevant verse from Scripture. Kisses of Sunshine for Women: a deep and heartfelt look into what it means to be a woman---turning everyday experiences into sparkling reflections of hope and joy. Coauthored with Thelma Wells. Kisses of Sunshine for Moms: tales that range from heroic and hilarious stories of first-time moms, to the joys and struggles of single parenting, to the beauty of watching your children grow up. Coauthored with Ellie Kay. Kisses of Sunshine for Grandmas: from sweet and sentimental birth stories, to grandparenting a stepchild, to humorous lessons learned from grandkids, to the caregiver generational squeeze. Coauthored with Gracie Malone. Kisses of Sunshine for Sisters: celebrations of sisterhood that happen as a result of being born and bonded into the same family---or that emerge simply from the love growing inside our hearts with friends who become our sisters.
