

## Live ON Less NOT With Less

In this book you will find over 75 tips and can save hundreds to thousands of dollars every year. These tips are for average families and are simple steps that can be taken right now. These tips are very practical, not what you have seen before like flush the toilet once a day or use the same bath water for everyone. These tips are to save on utilities, food, clothing, and entertainment. This book is a must have for you to Live ON Less NOT With Less.
