

## 100% Love: Your Ability to Love Affects Every Part of Your Life

This book is for anyone who wants to improve their lives. The quality of your life depends on the quality of your ability to love. Its for anyone who wants true success. Its for people who are using the Law of Attraction and are stuck because they lack the ability to express love. This is for people who are lacking love from others in anyway. If you lack receiving love, it means you lack giving love. You lack the ability to give love to God, to yourself, or the people around you. Some people hold grudges with enemies and are too focused on what they hate, not what they love. This causes people not love their lives. Increasing your ability to love, and your ability to love God, can make instant and long term miracles that can last a lifetime. Your love affects your life, the lives of those around you, your work, your family, pursuing your purpose, the impact of your legacy, and changes you want to make in the world.
