

A Freefall Into Life

On the road of life, there are potholes and there are fender benders. And, in the case of one drunken teenage girl on a visit to New Mexico, there is also flying off a motorcycle headfirst into a cactus. Welcome to the life of Nancy Pofahl - a 50 year-olds account of the trials and tribulations of a Wisconsin hippie. Theres lots of laughter, plenty of tears, and even more booze to wash it all down. Whether shes cursing out a motorcycle gang or floundering through the medical system, Nancy irrepressibly faces the challenges of a seemingly luckless life. Find out what happens between the laughing and the crying; you may just see a bit of yourself in her experiences.
