

A Project Managers Book of Forms: A Companion to the PMBOK Guide

This source book of forms and procedures for using them follows exactly the content of the Project Management Body of Knowledge Guide, 4E. It provides a road-map approach so readers know exactly where they are and what forms precede and follow their current position on a project. The volume contains forms in hard copy for reproduction as well as in an accompanying CD for use and customization by a wide variety of project managers, consultants, and other associated professionals.
