

A Shred of Truth (An Aramis Black Mystery)

In *The Best of Evil*, Aramis Black uncovered family secrets and historical conspiracies, hoping that his own dark past had come to certain resolution. But now, in the dark of night, he finds his brother unconscious and tied to a statue in Nashville's Music Row with the initials AX carved into his back. A shadow from his former life has reappeared, casting threats of violence and retribution. And soon the attacker is swinging his blade of self-righteous judgment directly at Aramis, calling upon him to face his sins. Can Aramis finally break free from the guilt of his old ways or will he succumb to the vengeance of an arrogant sociopath? From the Trade Paperback edition.
