

## All That She Wants

All that she wants is based on love, family, and friendship. Julie, a very young orphaned girl who lives with her grandmother in a very isolated and small town in Southern Tennessee, is introduced to Kate, a girl from New York City who moves across the street. The girls immediately become friends and spend their evenings talking about their past and future, and how they came to be where they are today. Even though their past are very troublesome, their future looks promising because they have found each other. The bond that they share is unbreakable and one that would last a lifetime.

**All That She Wants Wikipedia, a enciclopedia livre** Lyrics to All That She Wants by Ace Of Base: She leads a lonely life / She leads a lonely life / When she woke up late in the morning. **All That She Wants by Ella On The Run Free Listening on** All That She Wants is a song by Swedish group Ace of Base.
