

Aisle Be Damned: Swaying Hips, Praying Lips and Flying Tips

A hilarious take on just about everything associated with the dog and pony show of air travel. Seamlessly integrating flying tips with quirky witticisms, it provides perspective on an array of common travel situations including: how to get upgraded to Business class, how to micro-manage bathroom-frequenting pilots, how to win elbow fights with co-passengers, how to breeze ones way through immigration and breaking the ice with attractive co-passengers. Rest assured, your flying experience and perspective on aviation will never be the same again. Over the course of thirteen crisp chapters, interspersed with sixty off-beat images, the book covers:

- Awesome icebreakers to start conversations with attractive co-passengers
- Getting seamlessly upgraded to Business Class
- Sure shot strategies for winning the affections of flight attendants
- How a water bottle dramatically improves flight safety
- How smart executives deal with the Walk of Shame to the economy section
- Action plans to counter the airlines technical snag routine
- The hows and whys of micro managing the pilots
- Breezing through immigration, customs and always making your flight connections

And a whole lot more ..
