The Badass Business Analyst. Little Slice of BIG Truths: The insiders guide to becoming Badass Business Analyst so you can think, learn, and work differently. (1st Edition)

Welcome to the insiders guide to becoming a Badass Business Analyst. I hear you want to think, learn, and work differently. Awesome. I have to warn you though, this is an unconventional book for Business Analysis. It is not full of diagrams and models. It does not tell you exactly what to do. It is definitely rated PG13. Notice there are no celebrity business analysis endorsements. Most books have all sorts of why you should buy this book and I am so wonderful kind of stuff on the back. Lets cut to the chase shall we? Fill in the blanks below and then you will know if you should buy this book or not. FILL IN THE BLANKS: I want to be a _____ because I give a _____ and I want to make a _____ in _____ lives. HINT: Badass, Business, Analyst, Damn, Difference, Peoples. You may now begin.
