

Ancient Greece (Primary History)

Primary History: Ancient Greece encourages the study of archaeological evidence, artefacts, written sources and maps to understand how the Ancient Greeks have influenced today's society. Stimulating activities cover everyday life and leisure, the city state, Greek religion, relations with other societies, language writing and the Philosophers. * Choose from a range of activities to suit your class.

* Differentiate using a variety of writing-based tasks. * Explore history topics through creative role-plays and art and design work. * Ideal as accessible research resources for topic work.
