

Another Sommer-Time Story: I Am A Lion with CD Read-Along

To grow up to be big, little lions have to learn survival skills, but the cub Sangu doesn't want to listen to Papa and Mamas lessons he just wants to play. Getting lost while escaping a charging rhino, Sangu learned how unprepared he really was to be out on his own. Befriended by some kind gazelles, Sangu didn't have the slightest idea as to what a lion should be. After being taunted by his friends, Sangu finally learned to be assertive, to value learning, to listen to his parents, and to respect himself. Virtues: Self-Esteem / Respect for Parents / Assertiveness
