

## Chloe The Cat Snowy Day (Chloes Weather Board Books)

Look out the window--see the white flakes falling! Soon there'll be a blanket of snow and so many winter activities for Chloe to do. Zip, she speeds down the hill on her sled. And watch out! She's got a mountain of snowballs to toss at you. Wherever Chloe walks, she leaves little pawprints in the snow, and everyone will know she was there. But best of all is making a big, round snowman with eyes and a nose and a hat and a scarf--and pretending you're a snowman too!
