

## Creepspace: The Witch Game

For his twelfth birthday, Joshua Wright gets just the gift he had hoped for: a laptop computer. But his joy fades when he discovers a strange game included on the laptop. Joshua soon finds himself haunted by the game and plagued by visions of witches, vultures, and graveyards. Is his imagination playing tricks on him, or are these horrors real? Read Joshua's story - if you dare - and see whether he and his friends can survive . . . The Witch Game!
