

Bionicle #5: The Battle of Voya Nui (Bionicle Graphic Novels)

An entirely new chapter in the BIONICLE universe begins, with an exciting new look brought by artist Stuart Sayger. The Island of Voya Nui has existed in peace for thousands of years, yet it holds a dark treasure with unlimited power: the Mask of Life. When the ruthless Piraka arrive on the island and enslave its matoran inhabitants, all appears lost until six Toa wash ashore and are transformed into Toa Inika. Their mission: to stop the Piraka from obtaining the great power of the Mask of Life. Should they fail, the entire world will be thrown into chaos and destruction. The epic battle of Voya Nui that ensues will decide the fate of the entire BIONICLE universe.
