I didnt care who was playing.I now consider myself a student of the game and Im only 13 years old as of this writing. Im constantly surfing the web for NFL stories, asking adults about certain players and reading anything I can get my hands on concerning the NFL.Best in the NFL - Pro Footballs Top Ten List is the results of my research and writing. I rank the top 10 in eleven different categories, from Quarterbacks to Place Kickers, from Best Games to Top 10 Coaches. NFL Football fans are all passionate about their team and I hope you will look at this listing objectively. I wrote this book as a way of sharing my thoughts and hope to hear from you regarding your opinions. I could go on forever talking NFL football, but its almost 1PM on Sunday and I dont want to miss the coin toss of the Eagles/Chargers game.
