

Soccer Squad: Stars!

Dal, Chris, Abs and Jason have made the squad for the local youth club under-11s football team. And after their first match (not as successful as theyd have liked), they are determined to prove that theyve got what it takes to be winners. Jason, Dal, Abs and Chris are about to be famous! A TV documentary is being made about their team and everyone wants the chance to shine in front of the cameras. But what is more important - looking like a star, or playing well as part of the team? When Abs takes his posing a bit too far, is he getting too big for his boots?
