

Bridge Between Worlds: Extraordinary Experiences That Changed Lives

A decade before Dan Millman wrote his spiritual classic *Way of the Peaceful Warrior*, a motorcycle crash ended his Olympic dreams. Some years later, two thugs, one armed with a metal pipe, closed in to attack a young writer named Doug Childers. These two young men had no notion that they would one day meet, become friends, and draw upon their experiences to create a collection of inspiring stories about people whose lives were changed by extraordinary events. Each story in this newly revised volume (formerly titled *Divine Interventions*) describes a unique journey across a metaphorical bridge to a higher reality. These stirring accounts of the lives of ordinary people as well as iconic figures, past and present, will awaken in readers a renewed faith in the mysterious possibilities hidden in daily life.
