

## Broken Lullaby

Growing up in a mob family had scarred Mary Graham. She thought running away would ensure her son didn't face the same horrors. But after three years on the lam, the single mom couldn't live that way anymore. So she came back home to Broken Bones, Arizona and found herself at the center of a baby brokering scandal. To prove her innocence and help a grieving mother, Mary had to turn to her family's nemesis cop. And not just any cop named Mitch Williams. He'd been after her family for years, so could she trust him to have her best interests at heart?
