

Catfish, Cod, Salmon, and Scrod: What Is a Fish? (Animal Groups Are Categorical) (Animal Groups Are CAtEgorical (Library))

What is a fish? Stingrays, goldfish, sharks, and many other creatures are all fish! Clever rhymes from Brian P. Cleary and comical illustrations from Martin Goneau explain the traits that all fish have in common and help you determine which creatures belong in this water-dwelling group. Animal names are printed in color for easy identification, and the goofy CAtEgorical cats make learning fun!
