

EDGE: Football Star Power: Free Kick Pro

Leos football skills are...well lets just say hes not his teams star player. But when he visits a football museum everything changes in a flash. He can talk to football superstars - and they help to coach him! In Free Kick Pro, Leo is transported to David Beckhams past where he is given dead ball tips by the England legend himself! Leo has to learn fast, because before hes ready he has to help David take his crucial free kick against Greece in 2001. Its a last gasp chance for England to get to the World Cup Finals! A fantasy football tale from another dimension! This title is published by Franklin Watts EDGE, which produces a range of books to get children reading with confidence. EDGE - for books children cant put down.
