

One Saturday Afternoon (Easy-to-Read, Dutton)

Barbara Baker's big family of bears is back in a sequel to the very successful Easy Reader, *One Saturday Morning*. Now it is afternoon. Mama wants to go for a walk by herself. Lily wants to read. Rose wants to play school. Daisy wants to draw. Baby Jack wants to eat crayons. And Papa wants to have his snack in peace. The six chapters—one for each bear—show the big, boisterous group enjoying their fun-filled afternoon. Warm, simple text and cozy pictures convey the essential truth of every large family—that each member is different, and each holds a very special place.
