

## The Cannae Sutra: The Scots Joy of Sex!

Birds do it. Bees do it. Scots um . . . Well do they? All is revealed (well, not quite all this is Scotland) in The Cannae Sutra, a ground-breaking expose of the nation's best-kept secrets. Sex, it seems, is not what coal is delivered in in Morningside. The nation's best-kept bedroom secrets are laid bare in this full frontal, no-holds barred (but by no means serious) peek at what is under the kilt, on every Scotsman's mind and can be induced by too much Irn Bru and porridge. Just make sure you know your houtie-croutie from you elbuck before embarking upon a bout of houghmagandy. The book contains previously unpublished historical material along with helpful advice on ticklish subjects. Topics covered include: techniques, positions, rubberwear, bondage, group sex, sheep love, Scottish porn, secrets of the sporran, FAQs of Life, shortbread fingers, Gaelic symbols, cybersex, curling and socks.
