

CAPM Q&A

CAPM Q&A is your best one-stop resource and prep guide for the Project Management Institutes CAPM (Certified Associate in Project Management) certification exam. This complete learning aid/study guide will prepare you to take the current exam for the second-most popular certification designation offered by the Project Management Institute. The book features not only a full set of sample questions and answers, but--importantly--explanations of the correct answers, drawn from important project management topics such as scope management, time management, cost management, and much, much more. Whether you're new to project management or a veteran, CAPM Q&A will help you prepare, test your knowledge, and do your best on exam day.
