

CHALLENGERS CHANCE

Twelve year old Bobby James lives for basketball. He dreams of starting at point guard for the Winthrop Academy Bulldogs, just like his father did, the only problem is hes the shortest player on the team. When his coach unexpectedly resigns Bobby must work even harder to make the starting five. The harder he tries, though, the worse things get. As he struggles to get in the game it seems like his life and his family are falling apart around him. Can Bobby get in the game before its too late?
