

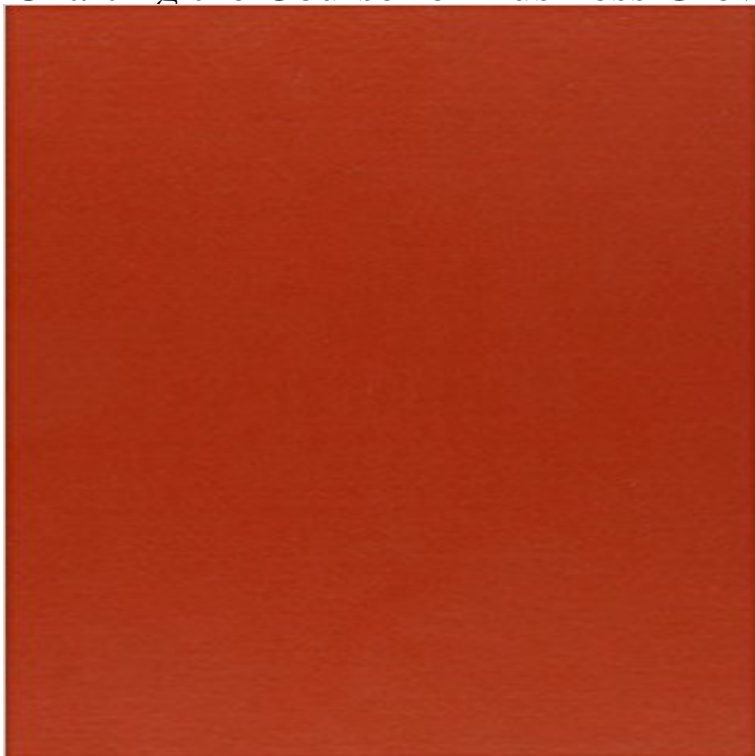

## Charting the Course for Business Growth Through the 1990s

Through interviews with top executives, the volume explains what international CEOs are proposing to President George Bush and Congressional leaders in order to strengthen our economies at home, expand trade worldwide, and build a more prosperous and dynamic global marketplace by the year 2000 as seen from their strategic vantage points in top companies and foundations. Executives include: Umberto Agnelli, Fiat; Dwayne Andreas, Archer Daniels Midland; Lord Boardman, National Westminster Bank; Michael Bonsignore, Honeywell; Colby Chandler, Kodak; Arthur Levitt, Jr., American Stock Exchange; Donald Peterson, Ford; George Schaefer, Caterpillar; and more than 20 others. Co-published with the International Management and Development Institute.
