

Cock-a-doodle Christmas!

When Old Rooster leaves the farm to live with his sister, young Harold takes over the job of waking the farm animals each morning. But Harold has a soft voice, and nobody can hear his cock-a-doodle-doo. Then one evening, the sky lights up and a miraculous birth takes place, causing Harold to shout the good news for all to hear. In this Christmas story, Will Hillenbrand shows with gouache, ink, and collage illustrations that even a small creature is changed by the birth of the Christ child.
