

Wild Spirit (Young Black Stallion)

Its shaping up to be the best Christmas ever for Danielle. With both her dad and her horse, Redman, home for the holidays, the farm couldnt be busier. But Raven, the spirited colt with whom Danielle has been working, doesnt want to share her attention. Danielle knows she has a duty to the colt and to Alec Ramsay, his owner, but she cant help feeling loyal to Redman as well. If Raven is to be manageable as a racehorse someday, he must learn to share territory with other horses--but can he?
