

Cooperstown Tales - Book 2: A Trilogy

Cooperstown Tales Book 2: A Trilogy, a historical fiction novella, follows the stumbling blocks in the developing relationship between Vance Winkles and Connie Gillis, both introduced in Cooperstown Tales Book 1: A Providential Meeting. The lives of Vance, a sportswriter, and Connie, a talented singer working as a waitress, become more intertwined each passing day during the 1960 setting in Cooperstown, NY. The march to a pennant and the miraculous World Series triumph by the 1960 Pittsburgh Pirates serves as a backdrop to the story. Baseballs growing pains due to pending expansion add another element of historical flavor to the tale.
