

Johnnys Reptile Adventure (Johnnys Adventure Book 1)

This is a heartwarming nature series about a little boy who loves to explore the world around him. When Johnnys single mother is offered a chance to improve their lives for Johnnys sake, they move from the desert of West Texas to the West Coast fishing village, Fort Bragg, California. Just up the road from Johnnys new home, he discovers a scary looking dilapidated old house. There he finds an elderly, grumpy man who has a dog named Trouble. The man tries to scare Johnny away, but Johnny does not scare easily. Later in, Johnnys Heroic Adventure, Johnny goes back to visit the elderly man and realizes that something is very wrong. The mans dog is straining against its chain and barking wildly at the house. Later in The Magic Wishbone, Hazel, one of Johnnys new friends, makes a wish for the first time ever on Thanksgiving Day, with her mother using a magic wishbone. She refuses to say what she wished for and insists that the magic needs time to happen, although she doesnt understand exactly how magic works. In Johnnys Treasure Adventure, Johnny and his friends help to solve a mystery which spans beyond a century, when they find buried treasure near the beach. Together, with the help of the police department, they find answers for how the treasure wound up where it did and who it belonged to. But there is one piece of jewelry in the treasure chest that turns out to have a ghost attached to it. The ghost makes it frighteningly clear that no one else is to have the ruby necklace. This series is about friendships and difficult decisions. It is also about family and how hard it is to move away from dear friends. Step into Johnnys world and follow him on his adventures where the wildlife and scenery comes vividly alive. This series is packed with action and drama, but most of all, it about people caring about and for one another. In this series you will find horned toads, rattlesnakes, raccoons, birds, ponies,

fish and a slug, which are all a good mix for children with inquisitive minds. There are six books in Johnnys Adventure series. #1 Johnnys Reptile Adventure, #2 The Skippers Captain, #3 The Heroic Dog and Boy, #4 Finding A Home, #5 The Magic Wishbone, and #6 Johnnys Treasure Adventure.
