

Spiderweb for Two: A Melendy Maze

Four reasons to cheer! Meet the Melendys! Mona, the eldest, is thirteen. She has decided to become an actress and can recite poetry at the drop of a hat. Rush is twelve and a bit mischievous. Miranda is ten and a half. She loves dancing and painting pictures. Oliver is the youngest. At six, he is a calm and thoughtful person. They all live with their father, who is a writer, and Cuffy, their beloved housekeeper, who takes on the many roles of nurse, cook, substitute mother, grandmother, and aunt. Elizabeth Enright's Melendy Quartet, which captures the lively adventures of a family as they move from the city to the country, are being published in new editions. Each of the books features a foreward and signature black-and-white interior illustrations by the author. Popular artist Tricia Tusa provides irresistible new cover art that will appeal to today's readers.
