

The long hike (Jaynes Nature)

Put forth three or four exceptionally nice girls, given a strong faith in God, a spirit of adventure, and a safe haven in the woods, and-- oh, yes-- a penchant for not wearing clothes. What ensues is the very nature of innocent adventure, complete with sisterly camaraderie, adventurous risk-taking, heart-stopping suspense and plenty of good humour besides. Join Jayne and her soul-sisters, in a series of episodes is taken from Jaynes real-life online journal, as they explore the primeval New Jersey outback, bare as Nature intended. But leave your sinful notions behind; for its not about that at all. Over Labor Day weekend, the sisters venture far into the Pine Barrens wilderness and stumble upon an unexpected camping group, for whom they perform in exchange for supper and a safe place to spend the night.
