

Dinosaur Fact Dig: The Need-to-Know Facts

With the books in this series, readers travel back to a time when dinosaurs roamed. Meat-eating dinosaurs hunt their prey. Giant long-necked dinosaurs tower over treetops. Herds of bird-footed dinosaurs walk through plains and forests. Bold, full-color illustrations and simple text introduce young readers to multiple dinosaurs within the same dinosaur group. Readers will learn interesting facts about their favorite dinosaurs, as well as the habitats, diets, and physical features of these prehistoric animals.
