

## My Puppys First Year [With Frame]

This book is meant for children of ages from 5 to 8 years. Who doesn't love a puppy? And few occasions are more exciting for a child than bringing home a new puppy. Here is a book and frame set that will let young pet owners capture early memories with their puppy. With simple questions, plenty of space for writing and lots of room for photographs and drawings, this book will become a lasting record of the special relationship between child and dog. The book cover has a slot for a photo so that it can be personalized by each child. And there's also a stand-alone best friends picture frame to showcase a photograph of child and puppy.
