

Duchess Rising (The Seven Realms of Arrothi Book 2)

You are invited to enter Arrothi, a world as vividly realized as Narnia or Middle Earth, a world where animal spirits guide humans towards enlightenment, and in which an orphaned girl and a warrior duchess must join forces against an evil that threatens everything they have learned to love. If you love stories about smart, strong, capable women, swords, kings, queens and Spirit Guides, sprinkled with a touch of lesbian romance, this is the book for you. In the second book of the fantasy series, The Seven Realms of Arrothi, Duchess Aurelia (Bree) Makena, first cousin to the king and the former commander of the elite Huntingtons Cavalry, finds herself once more taking up the sword in defense of her king and kingdom. Stormy clouds of war are moving against Anacafria on two fronts; the Tevaiedin, the dark spirits of the Seven Realms, and Desdamea, the cruel and grasping queen of the neighboring country of Organdy, are both gathering their forces in a bid to dominate and destroy the kingdom. The Duchess finds her loyalties divided between her adopted daughter, who is the only one who can lead a defense against the Tevaiedin and her king, who needs her skills as a warrior and as one of the commanders of his elite troops. Duchess Rising is the second book in a powerful and moving fantasy series by Alison Naomi Holt that will appeal to fans of Anne McCaffrey and Mercedes Lackey one that blends the lyrical and mystical with pulse-pounding action.
