

Easter Babies: A Springtime Counting Book

NEW IN BOARD! When signs of spring are in the air, we look for babies everywhere! Joy N. Hulme and Dan Andreasen, who created the beautiful Stable in Bethlehem, now capture the spirit of a holiday and a season--with a counting concept worked right in. From one newborn foal walking on wobbly legs and five open-billed nestlings eager for food to 11 children playing in the park and 12 church bells ringing, this lovely board book celebrates spring, Easter, and new life. Hulme's gentle rhyme and Andreasen's softly hued, charming pictures work in perfect harmony, and the adorable bunnies, fuzzy yellow chicks, and frolicking lambs will enchant children.
