

El periodismo volátil (THATS ENTERTAINMENT) (Spanish Edition)

Este libro aborda el periodismo de hoy, en crisis de identidad, que busca su nuevo modelo. Describe como la cultura del espectáculo ha impactado en las historias y la profesion periodistica hasta desembocar en un periodismo volátil. Este periodismo esta marcado por el infoentretenimiento, que prima los rumores y construcciones interesadas a los hechos y que utiliza el lenguaje de lo dramático. La obra analiza con detalle la hibridacion del entretenimiento con la informacion politica y plantea algunos debates: ¿El entretenimiento esta desterrando la informacion?, ¿El modelo de infoentretenimiento actual esta contribuyendo a alejar mas a los ciudadanos de la politica? Debates todos ellos imprescindibles para que el periodismo vuelva a encontrarse a si mismo.
