

Sea Turtle (Amicus Readers)

This friendly look at the life cycle of a sea turtle features a continuous timeline of the animal's life and a life cycle sequencing activity. Vivid photography and easy-to-read text showcase the animal's growth from birth to adulthood with amazing clarity and beauty. The volume includes a picture glossary and critical thinking activity that supports the Common Core State Standards. Extending learning opportunities are also highlighted, along with notes for parents and teachers.
