

Engaging the Soul of Youth Culture: Bridging Teen Worldviews and Christian Truth

Before we can reach today's youth with the truth of the gospel, we need to see what they see and hear what they hear. We need to catch the messages encrypted in their culture and understand what's really being communicated. In *Engaging the Soul of Youth Culture* Walt Mueller, founder and president of the Center for Parent/Youth Understanding, helps us to navigate the troubling and confusing terrain of teen worldviews so that we can effectively and compassionately pass along good news: our God is their God, our Savior can be their Savior.
