

Flop Ear Boxed Set

Here's a very special stuffed bunny that toddlers will love to receive for Easter or for any other special occasion. Flop Ear is an endearing little rabbit with one ear that simply refuses to stand up straight. His amusing story is told in the color-illustrated book that comes in the same box with Flop Ear himself! This smiling stuffed bunny rabbit is made of soft pink velour, dressed in yellow overalls, and carrying his favorite snack, a carrot. When kids open the book, they'll read the story of how all the other little animals tease Flop Ear. They laugh at him because one of his ears stands straight up, like every other rabbit, while the other ear flops to one side. At first, Flop Ear is unhappy because he wants to be like everybody else. But at last he realizes that sometimes, it's just as good to be different.
