

The Football Genius Collection: Football Champ, Football Genius, Football Hero

The thrilling Football Genius books by former pro football player Tim Green are perfect for middle-grade readers, and this collection contains three bestselling novels in the series. **Football Genius: Troy White** can predict any football play before it happens. And when his single mom gets a job with the Atlanta Falcons, Troy knows it's his big chance to help them out of their slump and finally prove his football genius. But unless Troy can convince star linebacker Seth Halloway that he's telling the truth, the Falcons championship and Troy's mom's job are in serious jeopardy. **Football Hero: Ty Lewis** can't believe it when Coach V recruits him for the football team. This is Ty's big chance to prove how fast he is on the field, get a fresh start in a new school, and be like his older brother, Thane Tiger Lewis, who's about to graduate from college and is being courted by the NFL. But Ty's guardian, Uncle Gus, won't let him play. Uncle Gus needs Ty to scrub floors and toilets for his cleaning business while he cooks up gambling schemes with the local mob boss, a man called Lucy. **Football Champ:** When Troy White proved his remarkable football genius to the Atlanta Falcons, they brought him on board as a team consultant. Now, thanks to Troy's ability to predict winning plays, the Falcons are pulling in victories. Then Troy's perfect world comes crashing down. Reporter Brent Peele is out to smear as much mud on the Falcons as he can, and that means going after Troy.
