

Gila Monsters/ Monstruos De Gila (Animals That Live in the Desert/ Animales Del Desierto)

There is a reason this scaly desert animal is called a monster. The Gila monster has sharp teeth and a bite that contains poison! Get a close-up look at the largest reptile in the United States in Gila Monsters/Monstruos de Gila. This special English-Spanish bilingual edition enables children to work on their second-language skills as they develop strengths in their primary language.
