

Godel Meets Einstein : Time Travel in the Godel Universe

What happens when the countrys greatest logician meets the centurys greatest physicist? In the case of Kurt Godel and Albert Einstein the result in Godels revolutionary new model of the cosmos. In the Godel Universe the philosophical fantasy of time travel becomes a scientific reality. For Godel,however, the reality of time travel signals the unreality of time. If Godel is right, the real meaning of the Einstein revolution had remained, for half a century, a secret. Now, half-century after Godel met Einstein, the real meaning of time travel in the Godel universe can be revealed.
