

## Groovy Tube Books: Bug Blast!

Children will have a blast with these books! The see-through spine filled with groovy creatures. Realistic photographs on every page, combined with zany illustrations and fascinating facts will invite kids to discover the creepy, crawly world of bugs or secrets of the deep. Activities at the back of each book will extend the learning with hours of fun. Combine book and critters with our challenging game board, and youve got a triple treat! Learn the difference between insects and spiders, a bugs body parts, interesting facts about how bugs defend and camouflage themselves, metamorphosis, destructive and beneficial bugs, and much more.
