

Gross Universe: Your Guide to All Disgusting Things Under the Sun

An eye-opening, stomach-turning look at the world around us. Gross Universe reveals the science behind all the disgusting things that kids love to talk about. From mucus to vomit, from farts to phlegm, nothing is off limits. Its not always pretty, but it is fascinating. Find out why we need scabs, how saliva keeps our teeth clean, and why pus is a Perfectly Understandable Secretion. With his wicked sense of humor, Szpirglas delves into the topics that kids find irresistibly revolting: Games you should never play, such as Komodo Dragon Spin-the-Bottle Fun activities, such as the Dandruff Landing Pad Scientist A and Scientist B, who help break down scientific facts for young readers Topics covered include: Sickening skin The hideous healing process Spectacular stench Things that ooze Open up and say...Eugh! Foul fossils and putrid prehistory What a gas! Mad about mucus V is for vomit Gross Universe will keep young audiences laughing and learning as they uncover the science behind some of lifes more odious occurrences.
