

Hannah West on Millionaires Row

Hannah West is back in an all-new mystery—and this time she's living in the lap of luxury in a mansion on Millionaire's Row in Seattle's Capitol Hill neighborhood. When someone starts breaking into homes and doing feng shui, Hannah is immediately intrigued. It all seems innocent at first. But when some small but valuable objects start to disappear from the neighbors' houses, Hannah can't help wondering if there's a connection. Could it have anything to do with the Antiques Caravan that's in town to tape an episode of their television show?
