

Having a Job Just Like Recess: A Parents Manual for Guiding and Gracing Your Childs Career Path

As a parent, you must wear all the hats: doctor, disciplinarian, nutritionist, counselor, coach, entertainer, educator, etc.

How about career counselor? For most parents, that hat doesnt fit as comfortably. Many parents feel the extent of their career guidance is contained in these encouraging words of wisdom, Youll be great at anything you do! While such support is helpful, it lacks the steps, activities, and essential tools that eventually result in a meaningful and successful career path for their kids. This book provides those tools. It offers ideas and insights for parents of a child at any age. It recognizes each of us parent and child as Gods creation whose greater purpose can be fulfilled through our vocation. Parents will find its easy-to-read style anything but work. In fact, the book makes the career planning process invigorating and fun just like recess!
