

## Proactive Personal Style: (PPS) - What it is, How to develop it, How it can work for you

Proactive Personal Style (PPS) presents new insights, new perspectives on old truths, and tried-and-true approaches for achieving PPS within a wide variety of relationships and settings. You also find new ways of thinking about people, innovative strategies for managing difficult circumstances, and strategic applications of PPS values and techniques. Part One presents the PPS fundamentals. They start with the PPS Principles and Prerequisites and expand to include dealing with people who drive you up the wall, taking care of business, and gentle relationships with those special people in your life. The Addendum to Part One shows how to rate your PPS potential and how to interpret your self-rating. In Part Two, you learn how to apply the PPS fundamentals to Leading Winning Teams. You then learn how to use your PPS skills when you and your significant other are Relating Long-Term. You conclude your PPS journey by learning how to cultivate life-changing personal and interpersonal success.
