

## How To Win Your Sweetheart Back

The title says it all. It might not be over. There is still a seedling of affection left in his or her heart for you. This book will show you the way to nurture that seedling, make it thrive, and grow stronger than ever. Four simple principles applied over time will bring marvelous results. Maybe it isnt time to give up yet. I believe that in spite of whats transpired in the past, you can still win back the one you love. This book will show you how to do it. Try it. What have you got to lose?
